Registered at¹:

Registry number²:

Authorised representative:

The undersigned person declares, acting in this as authorised representative of _____, the compliance of the provision of EU-wide multimodal travel information services with the Commission Delegated Regulation (EU) 2017/1926 and the articles published therein, that in accordance with the Regulation mentioned above:

1. acts as multimodal travel information service provider according to Article 2 (23).
2. complies with the requirements set out in Artikel 4 (5) and 5 (6) concerning the collaboration with data holders in order to ensure that any inaccuracies are notified without delay.
3. bases its services on updates of static, historic, observed and dynamic travel and traffic data according to Article 6 (1).
4. complies with the requirements set out in Article 7 on the linking of travel information services;
5. complies with the provisions referred to in Article 8 with regard to the reuse of travel and traffic data and linking of travel information services, if applicable.
6. cooperates with the competent authority of the Member State for compliance assessment who will randomly check the correctness of the self-declaration as described in Article 9, related to the compliance with the requirements set out in Article 3 to 8. In the course of the compliance assessment, all data, records and relevant documents required for the execution must fully be made available free of charge and without restrictions.
7. ensures that this self-declaration is up to date and valid and in case of any change that necessitates an update of this self-declaration, provides a timely³ amended self-declaration to the competent authority of the Member State for compliance assessment.
8. in order to assess compliance with the requirements set out in Article 9, the following accompanying documents should be enclosed in support of this self-declaration and will be requested for random inspection:
 - a. a description of the availability of travel and traffic information services, including, if applicable, connections with other services, as well as information on their quality.

¹ If relevant

² If relevant

³ As soon as possible, but latest 3 months after the respective change
