

## smart mobility newsletter, issue 4/18

April 2018

Dear partners and interested parties,

this April was an eventful month for us. The Transport Research Arena enriched the international exchange on transformation processes and digitisation within Europe. In this issue we also would like to ask our readers to pay special attention to updates in regard to the Declaration on the duty to provide information (GDPR). In addition, we invite you to take part in two exciting surveys.

Enjoy reading,

Your smart-mobility Team

### Implementation of the GDPR

As part of the implementation of the GDPR, we would like to inform you about our [data protection guideline](#) and would be pleased if you'd like to continue receiving the AustriaTech newsletter. You can revoke your consent at any time by sending an e-mail to [unsubscribe@austriatech.at](mailto:unsubscribe@austriatech.at).

## **Survey on the potential of "linking services" in the mobility of goods**

An online survey is currently being conducted by the bmvit, AIT, FFG and Logistikum as part of the research and development service LiSeGMo, which deals with the potential of linking services in the mobility of goods. Take this chance, become a part of the survey and provide your thoughts on the topic. [>>> more](#)
